Session	Registration Number	Presentation Number	Abstrac	t Author	Abstract Title
	10003	P-01-01	Kapoba	Gocho M	Assessing The Service Availability And Readiness To Provide Basic Health Care Package
Poster Presentation 1 - Healthcare Policy 6 Segments -	10005	P-01-02	Kapoba	Gocho M	Towards Universal Health Coverage In Zambia: A Survey In Kalomo District Strengthening Health Systems And Management Towards Universal Health Coverage: Data-
	10026	P-01-03	Yokobori	Yuta	Informed Activity Planning In Kalomo District, Zambia Survey Using An Assessment Tool For Civil Registration And Vital Statistics In Health Facilities
12/3 (Sat) 10:30-11:00	10030	P-01-04	Tamura	Toyomitsu	In Low And Middle Income Countries Processes Of Developing A Human Resources Database In The Democratic Republic Of The
Chair: Susumu Tanimura	10099	P-01-05	Yoshifumi	Nin	Congo Introduction Of Health Information Management System In A Health Camp In Nepal
	10101	P-01-06	Nin	Yoshifumi	Global Mental Health And Well-Being Partnership, University Of Tokyo
	10098	P-02-01	Konishi	Isamu	Children With Disabilities In Low- And Middle-Income Countries And The Use Of Pedi-Cat: A
Poster Presentation 2 Community Health 1	10046	P-02-02	Konishi	Shunichiro	Review Of The English Literature Field Research On Change In Health Habits And Lifestyle Of Residents, Accompanied By
6 Segments	10049	P-02-03		Nao	Construction Of Waterworks In Kimbond, Democratic Republic Of Congo Study On The System Construction Towards Local-School-Led Health Check At Acadx Scho
12/.3 (Sat)	10097	P-02-04	Yoshida	Haruka	In Kinshasa, Kinbondo Democratic Republic Of The Congo Health Education In The Kimbondo District, Democratic Republic Of Congo
11:00-11:30 Chair: Miho Sato	10007	P-02-05	Horii	Satoko	The Association Between Child Health And Women'S Participation In Informal Microfinance
	10105	P-02-05			Institution In Rural Burkina Faso-From The Point Of View Of Social Capital Sanitation, Health And Children And Youth Civic Participation In Peri-Urban Lusaka, Zambia:
			Nyambe	Sikopo P.	Assessing Social Values And Quality Of Life. Implementing Oral Health Program As A Part Of Community Based Health Promotion In Rural
Poster Presentation 3	10092	P-03-01	Sugino	Mire	Nepal Nepal
Community Health 2 6 Segments	10061	P-03-02	Kimura	Kazuko	Assessment Of The Extent Of Counterfeit Medicines In Mandalay, Myanmar Effect Of The Provision Of Tailor-Made Home Exercise Materials On Health-Related Variable
12/3 (Sat)	10040	P-03-03	Watanabe	Tsukasa	In Spanish-Speaking Outpatients With Chronic Low Back Pain: Two-Group Experimental Stud
11:30-12:00	10067	P-03-04	Shimpuku	Yoko	Tanzania Diffusion Of Prosthetic Appliances In Rural Ghana: Focusing On Collaboration Between Donor
Chair: Takuji Date	10029	P-03-05	Isogai	Hitomi	And Local Institution
ranuji Dale	10048	P-03-06	Hirai	Kaori	An Approach To The Improvement Of Wearing Rate Of Hearing Aids In The Republic Of Malar Bottom-Up Approach To Strengthen A Strategy For Community-Based Malaria Control:A
Poster Presentation 4 Infectious Disease 6 Segments	10002	P-04-01	Matsumoto-Ta	Emilie L.A.	Qualitative Study Analyzing Microscopists' Perception In Palawan, The Philippines
	10080	P-04-02	Narisawa	Yuko	Tuberculosis Infection Status Among Foreign Students In A Japanese Language School In Kurume City
12/3 (Sat)	10087	P-04-03	Takatsuka	Ayako	The Present State Of Mother-To-Child Transmission In Hiv Positive Women And The Factor Affecting To Prevent Mother-To-Child Transmission Under The Civil War In Central African
13:30-14:00	10093	P-04-04	Matsubara	Chieko	Fact-Finding Study Of Antibiotic Stewardship Programs In Nepali Health Facilities
Chair: Shoji Yoshimatsu	10104	P-04-05	Nin	Yoshifumi	Evaluation Study Of Harm Reduction Programs For Injecting Drug Users In Myanmar
Snoji Toshimatsu	10076	P-04-06	Pandit	Rabi Bhushan	Evaluation Of Knowledge, Attitude And Practice On Hiv/Aids In Secondary Level Students O Biratnagar
Poster Presentation 5 Education/Human	10055	P-05-01	Suzuki	Yoshihiro	Internship Program Of International Medicine For Senior Residents "Project Of Tokushima Prefecture"
Resources Development	10089	P-05-02	Sugino	Mire	Human Development For Global Health Proffesions Through Nepalese School Health Program Of Multicultural And Interprofessional Students And Young Proffesionals
6 Segments	10103	P-05-03	Chikamatsu	Hayato	Analysis Of Jaih-S Obgs Career And Report
12/3 (Sat)	10023	P-05-04	Zakoji	Masahiro	Junior Residency And Training In Global Health: Its Potential Needs And Barriers
14:00-14:30	10059	P-05-05	Mori	Hirotake	Building Multi-Institutional Network, Tochinoki Network, For Connecting Global And Communi Health
Chair: Satofumi Sone	10070	P-05-06	Koba	Mari	The Effect On Students' Learning By Classes With The Participation Of People Involved In Ti Field: International Nursing Classes
Poster Presentation 6	10014	P-06-01	Saito	Keiko	Practice And Recognition Of Traditional Practices For Pregnancy, Childbirth And Postpartum Among Laotian Women Living In Japan
Expatriate Healthcare 5 Segments	10015	P-06-02	Nitta	Sachiko	Multilingual Interface To Support Limited Japanese Proficient Women During Postpartum Car
12/3 (Sat)	10027	P-06-03	Sato	Fumiko	Report On International Town Health Care Room In Hyogo: Health Promotion For Foreign Residents
14:30-15:00	10086	P-06-04	Takano	Moe	Stress And Health Status Of Korean Students : Comparison With Students In Their Home Country.
Chair: Kaname Kanai					Evaluation About The Qality Of Life Ushing Eq-5D For Japanese Elderly Long-Stayers In
Maname Mana	10060	P-06-05	Yoda	Takeshi	
	10060 10094		Yoda Hagihara	Takeshi Jun	Chiang Mai, Thailand Quality Of Life For Children At Lowland Papua New Guinea
Poster Presentation 7 Nutrition	10094	P-07-01	Hagihara	Jun	Chiang Mai, Thailand Quality Of Life For Children At Lowland Papua New Guinea Predictors And Lifestyle Behaviours Relating To Child Obesity In Urban Indonesia: Principal
	10094 10071	P-07-01 P-07-02	Hagihara Ogata	Jun Ai	Chiang Mai, Thailand Quality Of Life For Children At Lowland Papua New Guinea Predictors And Lifestyle Behaviours Relating To Child Obesity In Urban Indonesia: Principal Component Analysis.
Nutrition 6 Segments 12/3 (Sat)	10094 10071 10082	P-07-01 P-07-02 P-07-03	Hagihara Ogata Iwamoto	Jun Ai Azusa	Chiang Mai, Thailand Quality Of Life For Children At Lowland Papua New Guinea Predictors And Lifestyle Behaviours Relating To Child Obesity In Urban Indonesia: Principal Component Analysis. Proportion Of Chronic Malnutrition Is Dominant In Male Children In Kampong Cham Province, Cambodia.
Nutrition 6 Segments 12/3 (Sat) 15:00-15:30	10094 10071 10082 10012	P-07-01 P-07-02 P-07-03 P-07-04	Hagihara Ogata Iwamoto Reshad	Jun Ai Azusa Khaled	Chiang Mai, Thailand Quality Of Life For Children At Lowland Papua New Guinea Predictors And Lifestyle Behaviours Relating To Child Obesity In Urban Indonesia: Principal Component Analysis. Proportion Of Chronic Malnutrition Is Dominant In Male Children In Kampong Cham Province, Cambodia. A Study Concerning The Nutrition Of The Children In A District In Afghanistan
Nutrition 6 Segments 12/3 (Sat)	10094 10071 10082 10012 10022	P-07-01 P-07-02 P-07-03 P-07-04 P-07-05	Hagihara Ogata Iwamoto Reshad Hao	Jun Ai Azusa Khaled Ming	Chiang Mai, Thailand Quality Of Life For Children At Lowland Papua New Guinea Predictors And Lifestyle Behaviours Relating To Child Obesity In Urban Indonesia: Principal Component Analysis. Proportion Of Chronic Malnutrition Is Dominant In Male Children In Kampong Cham Province, Cambodia. A Study Concerning The Nutrition Of The Children In A District In Afghanistan Effect Of Intervention Program On Obesity Among Obese Rural School Children In Northeast China: A One Year Follow Up Study
Nutrition 6 Segments 12/3 (Sat) 15:00-15:30 Chair: Michiko Chosa	10094 10071 10082 10012 10022 10033	P-07-01 P-07-02 P-07-03 P-07-04 P-07-05 P-07-06	Hagihara Ogata Iwamoto Reshad Hao Otsuka	Jun Ai Azusa Khaled Ming Yumiko	Chiang Mai, Thailand Quality Of Life For Children At Lowland Papua New Guinea Predictors And Lifestyle Behaviours Relating To Child Obesity In Urban Indonesia: Principal Component Analysis.
